Monday 21 July - Friday 26 September

Term 4

Monday 13 October - Thursday 18 December

Dunalley Primary School

Department for Education, Children and Young People

ISSUE NO 14 — 10 SEPTEMBER 2025

Dear families,

Planning for Seven Classes in 2026

As Dunalley Primary School prepares to increase from six to seven classes in 2026, the goal is to preserve the benefits of small class sizes. By maintaining classes between 15 and 21 students and accommodating a forecast total of approximately 140 students, the school will foster more effective classroom management, higher engagement and richer student - teacher relationships. Ample research highlights that smaller class sizes - particularly in the primary years - enable teachers to provide tailored instruction, give more feedback and identify learning needs earlier, leading to higher academic standards and improved wellbeing for students.

Smaller classes also help to reduce the achievement gap for disadvantaged students and allow for more active and equitable participation by all learners, supporting both academic and social-emotional growth. This approach strengthens connections among peers and educators, helps students feel secure and included, and ensures no child is left behind in the learning process.

Tasmanian
Government

1:1 Laptop Initiative for Upper Primary

Dunalley Primary is already actively working towards a 1:1 laptop ratio for upper primary students, aiming to provide each pupil in Years 4 - 6 with dedicated access to digital technology. The goal is to equip every student with the tools necessary for developing digital citizenship and preparing for the demands of the future, while furthering equality by ensuring that all children - regardless of background - can participate fully in contemporary learning experiences.

Research highlights that 1:1 laptops increase student engagement, enable more personalised and differentiated instruction, and foster improved digital literacy, leading to stronger learning outcomes and smoother transitions into secondary education.

Launch of the Grade 6 Leadership Camp

A major highlight for 2025 will be the inaugural Grade 6 Leadership Camp, piloted in Term 4, with a plan for it to become an annual event held each Term 1. This camp is designed to nurture skills like teamwork, resilience, communication and practical leadership through engaging activities and shared challenges.

Leadership camps have been shown to spark personal growth, self-confidence and a sense of community amongst young people. Such experiences encourage students to set goals, work as a team, and manage adversity - all invaluable for both school and life beyond.

Grateful thanks to Georgee Daly (our Grade 5/6 teacher and AST) for her dedication in organising this camp, and to the School Association for funding quality camping equipment. Their support ensures the camp is equitable, accessible and safe for every student. By removing financial barriers, all students can share in the learning and camaraderie that camping provides, regardless of personal circumstances.

Primrose Sands Bus Tender

Another essential development is the impending tender process for the Primrose Sands bus service, conducted through collaboration with State Growth. This project is a testament to Dunalley Primary's dedication to supporting both families and the broader community by securing reliable and accessible

transport. Such efforts are crucial in sustaining school attendance, family engagement, and community life in the area for the long term.

Gratitude and Acknowledgements to the School Association

A big thanks to the School Association for everything done so far - whether it's backing new projects or just being a constant support for students and staff. Having a group that's so willing to pitch in and look out for everyone really makes a difference. Working together like this keeps Dunalley Primary School a welcoming, supportive place where every student has the chance to do well. We'd also like to give a special thank you for all the organising that went into Friday night's Quiz Night. It was a fantastic success, one of our biggest fundraisers of the year, and such a great example of our community coming together to support the school.

Kind regards,

SEAN RYAN
Principal

FOOD WITH FRIENDS Kinder and Prep

FRIDAY
26 SEPTEMBER
(last day of Term 3)

Grandparents and Special Friends Afternoon

We would like to invite the Grandparents and Special Friends of our students to share an afternoon with us in our classrooms followed by an afternoon tea. This is an opportunity for our school to show their appreciation for the role you play in the lives of our students and school community.

When: Friday 19 September

Time: 1:30 - 2:30pm in classrooms

2:30 - 3:00pm afternoon tea provided
for guests at our Library

*From Staff and Students
at Dunalley Primary School*

Please RSVP to the school office by Wednesday 17 September Phone: 6253 5151

Fight Cancer™
**FOOTY
COLOURS
DAY!**

**DONATE
TO HELP KIDS
WITH CANCER!**

Dunalley Primary School is kicking goals for kids with cancer this September by hosting a *Footy Colours Day* event! We'll be celebrating all things footy on Friday 26 September so make sure you wear your favourite footy colours and join us in raising funds to support kids with cancer. We're encouraging everyone to dig deep and donate. Every dollar donated funds Fight Cancer Foundation's accommodation and research programmes, which help kids fight cancer and stay with their families.

As parents or carers, you can make a big difference in helping your children want to attend school every day.

Getting your children into an everyday routine on school mornings can be extremely helpful. Getting them up at the same time, breakfast at the same time, leaving for school (or the school bus) at the same time each day, will help them get to school on time.

SUNSMART PROTECTION

A REMINDER THAT ALL STUDENTS ARE REQUIRED TO WEAR THEIR SCHOOL HAT FOR ALL OUTDOOR ACTIVITIES WHEN THE UV IS 3+

We don't have a supply of school hats for borrowing, so it is essential that students bring their own hat to school.

Hats are available from the uniform s

STUDENT ENROLMENT - 2026

If your child is currently in Kinder - Year 5 and **will not be returning to Dunalley Primary School in 2026**, please complete and return the form below. Alternatively, you may send an email advice: dunalley.primary@decyp.tas.gov.au

Please return by Friday 31 October 2025

My child/ren will not be attending Dunalley Primary School in 2026

CHILDREN/S NAME(S): _____ CURRENT YEAR: _____

Name: _____

Date: _____

Signed: _____

NOTIFICATION OF INTENDED EXTENDED ABSENCES

Please contact the school if you are planning an extended absence for your child/ren (5 or more school days), to ensure accurate attendance recording.

In these instances, a *Notification of an Intended Extended Absence* form is to be completed, signed and returned to the school office for processing, stating the reason for the extended absence.

KINDERGARTEN ENROLMENTS - 2026

If you live in the Dunalley Primary catchment area or have children already attending our school and have a child who will be four years old by 1 January 2026, they are eligible for Kindergarten enrolment at our school.

When enrolling in a government school for the first time, parents must complete the enrolment form and provide evidence of the student's identity, parent/carer identity, place of residence and immunisation details.

Please phone the school on ☎6253 5151 for more information.

ASTHMA

It is vital that you update us on any change to your child's asthma condition.

The people at greatest risk of death from asthma are those whose asthma is not considered severe or whose asthma is not properly managed.

It's also imperative that asthma sufferers take their reliever **with a spacer at all times** to ensure they are receiving the maximum amount of medication into their lungs.

STUDENTS WITH COLD OR FLU-LIKE SYMPTOMS

It is DECYP policy that children not be sent to school if they feel unwell with cold or flu-like symptoms including:

- fever
- runny nose
- cough, sore/itchy throat or
- shortness of breath.

If your child attends school and presents with any of the above symptoms, you will be contacted to collect them as soon as possible.

Children should only return to school when they are symptom free.

Your support will assist us to minimise the risk of viral illnesses spreading throughout the school.

FUNKY FRIDAY FASHION

Some of our parents and friends may have noticed that the staff are dressing a little bit differently on Fridays lately. We are having *Funky Friday Fashion* for a few reasons - to show the students that adults can still do their job while being silly and having fun, and that you can look and dress differently to others. Also to show that adults can laugh at themselves, that the "grown up world" is not a stuffy place where you must be serious all the time. But the most important reason is to have fun and build team spirit within our school community.

Some of the themes so far have been miss matched, Disney, spots and stripes, fluoro/neon, a bit fancy for school, and fitness.

Mrs Chandler is off to Disneyland in Anaheim to run in the Halloween Chills and Thrills Challenge; a fun run event of 10km one morning and 21.1km the next! Some may call it crazy; she calls it inspirational!! In honour of this we are revisiting two of the previous themes joined together, Disney and Fitness.

We hope that we have given everyone (including ourselves) a laugh.

Support Staff Backbone of Dunalley Primary School

Teachers and Senior Staff would like to take this opportunity to express our appreciation to the many faces, and more, that support the running of Dunalley Primary School. Without these amazing people, the school would not be the same.

These wonderful people support teachers to implement safe and creative learning environments for students; provide clean and maintained spaces for all to learn and work; deliver additional support programs; and ensure that Dunalley Primary School is an awesome school to work and learn in!

Thank you to:

Tom Anderson (TA)
Emma Atkinson (Health Nurse)
Melinda Blacklow (SBM)
Kevin Coleman (EFA)
Felicity Daniel (TA)
Joanne Hibberd (TA)
Peta Kelly (SBM)
Kai McGilvray (TA)
Jenn Molina (Psychologist)
Rachael Naumann (TA)
Christine O'Malley (Chaplain)
Selene Parnham (TA)
Tanya Pettman (TA/Library Tech)
Carey Phillips (TA)
Barbara Stansbie (SBM)
Mel Webb (TA)
Rob Weidinger (IT)
Leisa Wheeler (Social Worker)
Jodie Wicks (ESS/TA)
Samantha Wiggins (TA/EFA)
Robyn Wilson (Speech Pathologist)

Our appreciation also extends to our fabulous relief teacher assistants:

**Lydia Anderson, Jessica Brown, Corrine Fox,
Amy Hoover, Ebony Lowry, Amber Taylor**

SAFE AND ACCEPTABLE COMPUTER AND IPAD USE AT DUNALLEY PRIMARY SCHOOL

At the beginning of each year students and families are asked to read, discuss and accept ICT agreements. Here are examples of the information within these documents.

Kinder - Grade 2 Safe Technology Use:

At Dunalley Primary School we are safe and responsible when using ICT equipment by following these rules:

- I will take care of the school's computers/iPads.
- I will not eat or drink near the computers/iPads.

Grade 3 - 6 Acceptable ICT Agreement:

1. When I use ICT equipment, including iPads, laptops and cameras, I will:

- ⇒ Take care of the school's ICT equipment and treat it with respect.
- ⇒ Report damage immediately.
- ⇒ Not eat or drink near the ICT equipment.
- ⇒ Shut down and restart equipment correctly.

Dunalley Primary aims for students in Grades 4 - 6 at to have a device each to support their learning, however this cannot occur if devices are being damaged.

Unfortunately, we have had some devices damaged at school, the cost for the school to repair is quite high and as a result some devices have needed to be removed from classrooms.

**Please support us by having a discussion
with your child about making smart and safe
choices!**

Showing Appreciation for our father figures!

Our Father's Day BBQ was once again a raving success with the special men in our lives being celebrated.

Thank you to all who made it to our celebration breakfast. We had a wonderful time acknowledging the special men in our school community and the importance you play in the lives of our students. The weather was great and the fire pit appreciated.

Thank you for letting us celebrate you!

We hope you had a wonderful Father's Day!

From the Dunalley School Community.

Changing our approach to teaching reading

You may have noticed some changes in the way we're teaching reading in our school. These changes are part of a statewide commitment to ensure every student develops strong reading skills that will support them throughout school and beyond.

Learning to read is a skill that must be taught - it's not something we're born knowing how to do. That's why our teachers are using high-quality, evidence-based strategies to help every child become a confident reader.

Our students are learning to read through structured and explicit literacy teaching. This means they are building foundational literacy skills step by step, with each new skill reinforcing the last. This approach helps students grow into capable, independent readers.

We're proud to be part of this statewide effort to provide structured literacy lessons that are proven to work. Thank you for your ongoing support as we help every student succeed.

Teachers in Prep - Grade 3 in 2025 have implemented **UFLI Foundations** - an explicit and systematic phonics program that introduces students to the foundational reading skills necessary for proficient reading.

It follows a carefully developed scope and sequence designed to ensure that students systematically acquire each skill needed and learn to apply each skill with automaticity and confidence.

Teachers in Grade 4-6 in 2025 have implemented **Word Origins** - an evidence-informed program from DSF designed to provide the next step in spelling, reading and vocabulary instruction for students in middle to upper primary school and beyond.

Designed to follow any high-quality structured phonics program, Word Origins targets student knowledge of the morphological regularities of English, and the etymology, or language of origin, of our vocabulary, and the impact these elements have on spelling, reading, and word knowledge.

<https://www.tickettoplay.tas.gov.au>

Ticket to Play is a Tasmanian Government initiative designed to reduce the cost of sport and active recreation membership and/or registration for eligible children.

Ticket to Play provides two vouchers worth up to \$100 each towards club membership fees.

To be eligible applicants must be:

- aged between 5 and 18 years of age at the time of application; and
- listed on a valid Services Australia Health Care or Pensioner Concession Card (either their own or their parent, guardian or carer's) or be in Out of Home Care.

For more information, or to apply visit the **Ticket to Play** website.

SOUTH EAST NETBALL ASSOCIATION

AFTER SCHOOL NETBALL ROSTER

A reminder to parents/carers of Grade 3 - 6 students interested in playing after school netball that registration closes on Monday 15 September, and permission slips must be returned by this day.

What Does It Mean to be Inclusive?

- invite others to play
- be friendly
- ask others to join a group
- respect others

INVESTIGATIONS IN PREP

- the importance of play!

In Prep we value student led learning and inquiry and encourage children to explore their strengths and natural interests to ensure engaged and successful learners. This means that we have dedicated Investigation sessions where children access different areas of the classroom to develop their social skills, knowledge and sense of self. Students enjoy playing in the Prep Shop where they practice interactions, sorting grocery items, special awareness as they pack and stack and explore vocabulary and number through catalogues. They also 'check in' to the finger gym to develop their fine motor strength and coordination – essential for writing and cutting! Currently this includes a bear balancing task, some crazy looking bug craft and some interlocking cubes. Students in Prep enjoy completing puzzles individually and in small groups – they have identified this as a “calming” activity and have no trouble completing 100 pieces in about 20 minutes, but some students have challenged themselves to complete a 300 piece puzzle too!

Uniting

What we've been up to at OSHC

Over the past two weeks at Outside School Hours Care the children have been busy in the kitchen preparing special treats for the important male figures in their lives. This has sparked many thoughtful conversations about who the special people in our lives are and why they mean so much to us.

In addition to cooking, we've been learning how to safely practice headstands - focussing on proper technique to ensure we protect our bodies while having fun.

With the weather warming up, we're making the most of the sunshine and spending as much time outdoors as possible. The children have been enjoying the play equipment, running around on the hardcourt, and inventing new group games to play together.

Afternoon tea has been a highlight, with a delicious variety of treats including cupcakes, homemade lasagne, chicken kebabs with rice, sushi bowls and more.

At OSHC, we value hands-on learning experiences, and believe it's important for children to develop life skills - like cooking - while also engaging in fun, active play.
